

## Implants/Precision Attachments

We have been trained and are certified to produce the most popular implant and precision attachment restorations. We recommend preoperative study models for design, preparation and estimate.

Precision attachment labor per attachment	75
Implant labor fee per implant	30-75
- many systems allow for reduced fees	
Special model / soft tissue model	34-42
Implant Stent – one metal sleeve	62
additional per sleeve price	25
CT Surgical Guide (w/ scan appliance & CT)	Call

## Full Arch Reconstructions

Our staff is extensively trained in restoring rehabilitation cases by the Dawson Center for Advanced Dental Studies and the Las Vegas Institute for Advanced Dental Studies. In order to do our best work we request a variety of diagnostic information prior to case fabrication. Please contact our staff for details.

## Crown & Bridge Alloys
